## ***General info***

### **Health & Safety**

Please ensure that there is at least one mobile phone available in the pack you are walking/running in - in case of accidents etc. If there is an accident - big or small, an incident report needs to be completed at the time. Please see a committee member if this is required.

Use pedestrian crossings or pedestrian traffic lights to cross the road.

If you have any respiratory infection, please do not come to the club until you are better. If you test positive for Covid after attending a Tuesday or Thursday please contact John or Cris directly.

### **Shared Morning Tea**

For special occasions we have a shared morning tea to celebrate. It is very much appreciated when everyone who is able brings along a plate to help in the celebration.

### **Finally**

The committee thanks you all for your ongoing support and welcomes any ideas around events, trips, ways to have fun.

Thank you, The Pakuranga Joggers and Walkers Committee.
