

Newsletter

3 December 2025

Website: [Joggers and Walkers Section](#)

Email: pakjogwalks@gmail.com

Good Afternoon, Everyone

This will be the last newsletter of the year unless something important crops up.

Firstly, and most importantly, many thanks are due to those who helped clean the Clubrooms last week. The view through the windows is much clearer, the spiders and their cobwebs have been given their marching orders, the whole building looks much cleaner and tidier. Many thanks to all those involved.

Summer Soiree

Tuesday 9 December

We are very much looking forward to this event, our end of year lunch party with music and dancing. Bookings are now unfortunately closed. Most of our members have reserved their place for this always enjoyable occasion. It's a great opportunity to socialise.

Final Meeting of Joggers and Walkers before Christmas break

Thursday 18 December

There has been a change in our activities on our final meeting of the year on 18 December suggested by Bob Tanner. Any and all suggestions and ideas you may have are always gratefully received.

Follow The Star

Bob Tanner suggested a special event, *Follow the Star*, to mark the final meeting of the year.

We will walk the Star Walk devised by Paul Taylor several years ago.

No matter who you walk with, however fast or slow, there will be plenty of interaction as people pass each other going down and back along the individual rays of the star

formed by the walking tracks in Lloyd Elsmore Park. You can jog or walk as much or as little of it as you feel like. A map is attached at the end of this newsletter. It is also available in the Handbook which can be found on the Joggers and Walkers page of our Club website.

A Special Morning Tea prepared by your committee will follow the walk.

First Meeting of the New Year

The first meeting of the New Year is on **6 January 2026**

!! A Very Merry Holiday Season and a Happy New Year to one and all !!

Your Joggers and Walkers committee has worked together to provide everyone with a good mix of exercise and socialisation. Cris and I would like to thank all our committee members for the hard work, thought and effort that goes on behind the scenes. We are lucky to have such great support.

John and Cris Malcomson
